**Program Description**

Licensed practical nurses are prepared to give direct patient care under the supervision of a physician or a registered nurse. Employment areas include nursing homes, extended care facilities, physicians' offices, medical clinics, hospitals, and home health agencies. This program prepares students for the National Council Licensure Examination (NCLEX-PN Examination). Students that successfully complete the Intravenous (IV) Therapy Certification Course are eligible for IV certification by the Colorado State Board of Nursing. The PN Program is approved by the Colorado State Board of Nursing, and has achieved “Candidacy” status with the Accreditation Commission for Nursing Education (ACEN). All applicants to the PN Program must be certified as a nurse aide (CNA) or a medical assistant (MA). [Please note: The Practical Nursing Program Description has been modified since the publication of the 2015-2016 EGTC Catalog]
