Nurse Assisting

**PROGRAM DESCRIPTION**

Students completing the Nurse Assisting program are prepared for nurse aide or home health aide employment in health care settings. This program meets the state OBRA certification requirements. The course consists of theory and clinical experience. The State Board of Nursing approves this program and successful graduates are eligible to take the state certification exam.

Additional costs for this program include book, uniforms, watch with second hand, and fees associated with state board testing. A criminal background check is required prior to certification application. Proof of a negative TB test and flu shot are required prior to the clinical rotation.
