Selective Service Verification

Student Name (Print): _____ Student ID#: _____

Email: _____ Phone Number: _____

All male students born after December 31, 1959 are required to register with the Selective Service System. Submission of this form does not guarantee the student will become eligible for financial aid at EGTC.

Your financial aid application cannot be processed because your Selective Service registration could not be confirmed. In order to qualify for financial aid, you must submit documentation of proof of registration or exemption and complete this form. This form cannot be processed without the required documentation indicated below.

Please check the statement that describes your circumstance and attach supporting documentation.

- I was born before January 1, 1960.
Attach documentation confirming your date of birth (state/federal ID or birth certificate).
- I am a veteran of active duty in the U.S. Armed Forces (National Guard or Reserves are not included).
Attach DD-214 (to obtain a copy, call the Veterans Administration at 1-800-827-1000).
- I am registered with Selective Service.
Attach documentation of registration status. (To obtain verification of registration, log in to the Selective Service web page at www.sss.gov or call 1-847-688-6888).
- I am not required to register for Selective Service based on the fact that I entered the United States after my 26th birthday.
Attach a copy of your date-stamped I-94 or port of entry papers.
- I am not registered, but have received a Status Letter from Selective Service.
Attach a copy of Status Letter from Selective Service and a detailed explanation addressing why you did not register.

If none of the above statements accurately describes your circumstance, please contact Selective Service at www.sss.gov or 1-847-688-6888 to request a Status Letter that acknowledges the reason for your non-registration status. When you receive the Status Letter, please submit it with your supporting documentation/explanation to the Financial Aid Office.

By signing this document, I certify that all of the information reported is complete and correct. I understand that willful failure to register for selective service will result in denial of financial aid funds.
