

GED PREPARATION

| Program Description

- Prepare to earn your High School Equivalency certificate by taking one of the three eligible tests in the state of Colorado: GED, TASC, HiSET
- You'll learn from highly-trained and experienced instructors who provide direct instruction; our classes include discussion, interactive projects and group work
- Students who complete their High School Equivalency can go on to earn a certificate from one of our Career and Technical Education programs, such as Nurse Assisting, Cosmetology or Automotive Service
