

EMILY GRIFFITH

TECHNICAL COLLEGE

2021-2022 Computer Networking Checklist

On the first day of class, you will need:

- External Hard Drive (1 Terabyte minimum) - approx. \$50

Computer Skills

- Basic computer skills, including file management in a Windows operating system, are necessary for successful completion of coursework.
- Keyboarding skills are highly recommended.
- Please discuss digital literacy support needs with your Career Navigator prior to starting the program.

Internet and Computer Access

- Access to a reliable internet connection outside of class is required in order to complete assignments in the Learning Management System.
- Access to a reliable PC/Laptop outside of class is required. Access to a reliable PC/laptop that has the capability of running multiple virtual machines is suggested.
 - Should you need to borrow a laptop from the school, before your program start date please contact the College of Trades, Industry, and Professional Studies Student Success Coordinator, Ciara Martinez at student.help@emilygriffith.edu.

Part Time Program Hybrid Learning

- On the days your class meets face-to-face (Mondays and Wednesdays), you will be expected to participate in lecture, discussion, and activities. On the days that you would not be meeting face-to-face, you will complete readings, virtual labs, and homework.
- Students must be prepared to commit a minimum of 8-10 hours/week of study-time in addition to the 8 hours of weekly class time.
- Students are expected to keep up with classwork by adhering to course assignment schedules.

Accelerated Program

- On the first day of class for a program crucial policy, procedure, and orientation take place. It is expected that all registered students attend on the first day. If a student does not attend on the first day of a program without prior approval from the

EMILY GRIFFITH

TECHNICAL COLLEGE

Instructional Dean or Associate Dean, they will be dropped from the program and encouraged to register at another date.

- Classes are completed at a quick pace, without breaks between classes. One class is covered in its entirety before moving to the next class. Classes range from two days to six weeks.
- Students are expected to complete reading and homework outside of class hours.
- Due to the fast pace of the program, attendance is required for student success.
- In order to access course content online, students must make payment arrangements with the Treasurer's Office prior to the first class. If a student has not made these arrangements, they will not have access to course content and may find themselves behind in class from day one.

Classroom Logistics

- In the College of Trades, Industry, and Professional Studies our programs welcome new students multiple times throughout the year. As a student, you will likely experience being in the classroom with another cohort that may be learning different content than you. We believe this structure enriches the learning experience for all students, as the peer to peer learning that takes place is invaluable.
