

BASIC LIFE SUPPORT

Program Description

- Emily Griffith is an American Heart Association Training Site and is approved to offer the AHA's Basic Life Support (BLS) course. The course is required for entrance into many Emily Griffith Health-Care programs and most health-care settings.
- When you complete the course, you will be certified to perform CPR and use on-site AEDs.
- In Basic Life Support you will learn: CPR for adults, children and infants, the important early use of an AED, effective ventilations using a barrier device, performance as an effective team member during multi-rescuer CPR and relief of foreign-body airway obstruction (choking) for adults and infants.
