

**EMILY
GRIFFITH**
TECHNICAL COLLEGE

*For all who
wish to learn*

EMILYGRIFFITH.EDU

Emily Griffith Technical College is the public, postsecondary and adult education arm of the Denver Public School system and is one of three Area Technical Colleges in the Colorado Community College System. The college was founded in 1916 to offer educational opportunities for all who wish to learn. By providing students equal access to education and real-world opportunities, we strive to remove barriers in the education system.

Emily Griffith offers several areas of study including Career and Technical Education (CTE) certificate programs, with a hands-on learning focus, which includes Concurrent Enrollment opportunities for high school students. We also offer Apprenticeships to earn while you learn, English Language Acquisition to improve everyday language skills and prepare for further education or the workforce, GED, and Continuing Education courses.

We are focused on helping students develop lifelong skills for today's workforce and tomorrow's opportunities.

What makes us unique?

- We are a public college that offers **19 career training certificate programs**.
- We are the **only post-secondary institution in Denver Public Schools (DPS) serving adults**. We serve concurrent enrollment high school students as well.
- **More than 39% of our students are Hispanic**.
- Our campus includes **three state-of-the-art facilities** in easily accessible downtown Denver, close to public transportation.
- We offer **day and evening programs** to fit your schedule.
- We offer **one of the lowest tuition rates in Colorado**. Financial aid and scholarships are available to those who qualify.
- Most students earn their **certificate in less than a year** and **graduate without student loan debt**.
- We have some of the **state's highest completion and job placement rates** for post-secondary education.
- Students **gain real work experience** at our student-run businesses, which are open to the public. Our businesses include Emily's Salon & Barbershop, Emily's Café, Emily's Massage and Emily's Spa.
- Students can **transfer up to 45 credit hours** to a Colorado community college.

You could work toward a certificate through Emily Griffith Technical College and receive college credits for FREE through our concurrent enrollment program, all before you graduate from high school. We'll collaborate with your high school counselor.

Get Started and Apply Now for FREE!

Program Requirements

For more information, visit the Meeting Program Requirements page.

Financial Aid and Scholarships

Most of our students receive some sort of financial assistance. The Free Application for Federal Student Aid (FAFSA) is your gateway to state and federal grants, scholarships, and work-study funds. Career and Technical Education (CTE) students need to fill out the FAFSA to qualify for federal and state aid. We are committed to providing a real-world education for real budgets.

Payment

Payment or an established payment plan is required within 10 days of registration approval.

Student Success Center

We're committed to your success. Our team connects students to college and community resources and services, including mentoring and tutoring, health and wellness supports, access to quiet and group study spaces, and referrals to partner organizations.
