*The standard error of measurement (SEM) of individual scores will be considered.

EdReady Learning Path

Students who complete an EdReady Learning Path by meeting their program's target score may submit their results for program admission.

Please visit https://www.emilygriffith.edu/assessment/ for instructions.

Conditional Admission

High school juniors may submit a current transcript to meet program requirements for conditional admission. This will allow students to preregister for classes in a program that starts in August of their graduation year. Students will not be fully enrolled until they submit a final transcript that meets the program's minimum GPA requirement. Students who do not submit a final transcript or whose final GPA does not meet the program requirement will be dropped from the program.
