Your 2025–2026 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. According to the Department of Education, before offering Federal Student Aid, we may ask you to confirm the information you reported on your FAFSA. To verify that you provided correct information, we will compare your FAFSA with the information on this form and with any other required documents. If there are differences, your FAFSA information will be corrected.

Family Size Information

List below the people in your family. Include:

- **Yourself** (Student)
- **Your parent(s)** – even if you don’t live with your parent(s)
 - If your parent(s) are not currently married but are living together, then list both.
 - If your parent has remarried, then list their spouse.
- **Your parent(s)’ other child(ren)**
 - If they live with your parent(s) (or live apart because of college enrollment) and your parent(s) provide more than half of their support and will continue to provide more than half of their support, from July 1, 2025 through June 30, 2026.
 - **Do not include child(ren) your parent(s) are paying child support for.**
 - **Do not report foster child(ren).**
- **Other people** – if they now live with your parent(s) and your parent(s) provide more than half of their support and will continue to provide more than half of their support, from July 1, 2025 through June 30, 2026.

The provided criteria for “dependent children” or “other persons” align with the requirement that family size align with whom the parent could claim as a dependent on a U.S. tax return if the parent were to file a U.S tax return at the time of completing the 2025-2026 FAFSA. As a result, the parent should not include any unborn children in the family size.
