Your 2025–2026 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. According to the Department of Education, before offering Federal Student Aid, we may ask you to confirm the information you reported on your FAFSA. To verify that you provided correct information, we will compare your FAFSA with the information on this form and with any other required documents. If there are differences, your FAFSA information will be corrected.

### **Family Size Information**

List below the people in your family. Include:

- **Yourself** (Student)
- **Your spouse** – if you were married at the time the FAFSA was completed.
- **Your dependent child(ren)**
  - If they now live with you (or live apart because of college enrollment) and you provide more than half of their support and will continue to provide more than half of their support from July 1, 2025 through June 30, 2026.
  - **Do not include child(ren) you are paying child support for.**
  - **Do not report foster child(ren).**
- **Other people** – if they now live with you and you provide more than half of their support and will continue to provide more than half of their support from July 1, 2025 through June 30, 2026.

The provided criteria for “dependent children” or “other persons” align with the requirement that family size align with whom the student could claim as a dependent on a U.S. tax return if the student were to file a U.S tax return at the time of completing the 2025-2026 FAFSA. As a result, the student should not include any unborn children in the family size.
