Course Code	Book Title	Author	ISBN
ACT (all courses)	Auto Body Repair Technology, 6th Edition	James E. Duffy	978-1133702856

Classroom Logistics

On the first day of class policies, procedures, and orientation take place. Classes are completed at a quick pace, without breaks between classes. One class is covered in its entirety before moving to the next class and ranges from one to four weeks.

Our programs welcome new students multiple times throughout the year. As a student, you will likely experience being in the classroom with another cohort that may be learning different content than you.
