

Automotive Service Checklist 2022-2023

Be ready for the first day of class:

Payment & Student ID

- Confirm payment. For more information regarding payment arrangements, click [here](#).
- Get your student ID
 - You can get your student ID at the Treasurer's Office after payment is confirmed.

Textbooks & Supplies

- Closed toe and slip resistant shoes
- Safety glasses
- Jeans or canvas long pants
- T-shirt or work shirt
- Notepad
- Pen/pencil

Additional Information

- Toolkit and access to digital media is included in program fees and will be provided in class.
- There is a required new student orientation the week prior to class beginning. A Student Success Coordinator will notify you of the date and time.
- In order to be employed in the Auto Service industry, you will be required to have a valid Driver's License. Failure to secure a Driver's License will severely limit employment opportunities in the automotive industry.

Classroom Logistics

Classes are completed at a quick pace, without breaks between classes. One class is covered in its entirety before moving to the next class and ranges from one to four weeks.

Our programs welcome new students multiple times throughout the year. As a student, you will likely experience being in the classroom with another cohort that may be learning different content than you.
