

## Computer Networking Checklist 2022-2023

Be ready for the first day of class:

### Payment & Student ID

- Confirm payment. For more information regarding payment arrangements, click [here](#).
- Get your student ID
  - You can get your student ID at the Treasurer's Office after payment is confirmed.

### Textbooks & Supplies

- External Hard Drive (1 Terabyte minimum) - approx. \$50

### Additional Information

- Basic computer skills, including file management in a Windows operating system, are necessary for successful completion of coursework.
- Keyboarding skills are highly recommended.

### Classroom Logistics

On the first day of class policies, procedures, and orientation take place. Classes are completed at a quick pace, without breaks between classes. One class is covered in its entirety before moving to the next class and ranges from two days to six weeks.

Our programs welcome new students multiple times throughout the year. As a student, you will likely experience being in the classroom with another cohort that may be learning different content than you.
